The EPFX/QXCI gives the physician the ability to care for and successfully address even the most complex and troublesome cases.

It Increases the range of protocols and patient restorative success with the EPFX/QXCI.

With the largest medical software package in the world, the EPFX/QXCI is capable of accurately assessing and normalizing underlying energetic imbalances; it automatically provides the information needed for the body to restore itself. EPFX/QXCI empowers you to find the subconscious reasons for many illnesses and dis-eases. EPFX/QXCI's cutting edge technology makes it the only Evoked Potential Biofeedback Device that utilizes a complete Three Dimensional Loop.

The EPFX/QXCI is the first of its kind to use a Double Blind approach. By dealing on a subconscious level, only the system is aware of the thousands of items being tested. Neither the operator nor the client can influence the scan.

The Acupuncture points of the body all have energetic signatures. These can be stimulated into the body and we can measure the bioresonance of the patient to these energies. So now with electro bioresonance, automatic acupuncture can allow an entire acupuncture treatment for your patient in just moments. This is easy to learn and easy to use.

*This sophisticated computer program with the EPFX/QXCI Digital Device scans for, detects and corrects virtually any energetic imbalance.*
